Contract No. 68-W7-0003, Work Assignment No. 015-ROBF-056Y**

Dear Mr. Bellot:

On June 11, 1998, Tetra Tech EM Inc. (Tetra Tech) conducted oversight of North Storm Water Pipe investigation activities at the DuPage County Landfill in DuPage County, Illinois. The landfill is owned by the DuPage County Forest Preserve District (FPD). Tetra Tech oversaw soil sampling activities at six locations around the North Storm Water Pipe. Montgomery Watson, consultant to the FPD, performed the sampling activities.

MarySue Zekich represented Tetra Tech on site during sampling activities. Two copies of the summary of Tetra Tech's oversight activities are enclosed. Appendix A of the enclosure contains photographs of site activities, and Appendix B contains a copy of Tetra Tech's field notes.

If you have any questions about this submittal, please call MarySue Zekich at (312) 946-6475 or me at (312) 856-8721.

Sincerely,

Manoj Mishra, Ph.D.
Site Manager
